

10 NOV 1975

MEMORANDUM FOR: Deputy Director of Security (P&M)

SUBJECT : SRD Productivity Data, October 1975

1. Attached is a copy of the SRD Statistical Report - FY1976 covering the period through 31 October 1975.
2. Monitoring of the SANCA terminal revealed more than 84 hours of "down" time in October.
3. During the past month, SRD started a project to identify those files in the Office of Security which were created as the result of requests from the Office of the Secretary of Defense. Several hundred cases were identified in October and the task will continue through the next two months.
